La società **VALVOSANITARIA BUGATTI** nasce a Lumezzane (Brescia) nel 1948, specializzandosi fin dall'inizio nella produzione di valvole a sfera e raccorderia generica in ottone. Successivamente grazie alla costante crescita, la produzione è stata trasferita nell'attuale area produttiva di Castegnato (Brescia) che vanta una superficie di 10.500 mq.

Nel settembre 2011 la Società ha realizzato un nuovo magazzino di circa 7.500 mq che assicura un'efficiente organizzazione delle scorte e consente di velocizzare le consegne.

I prodotti vengono realizzati esclusivamente in Italia nella fabbrica di Castegnato, e sono destinati principalmente al mercato estero, senza comunque escludere il mercato nazionale. Ogni anno **VALVOSANITARIA BUGATTI** produce 25.000.000 di pezzi che vengono esportati in 85 paesi nel mondo.

Nello stabilimento produttivo sono presenti macchinari di ultima generazione e laboratori con sofisticate apparecchiature in grado di svolgere severi test di qualità.

L'accettazione dell'Acquirente dell'Offerta o della Conferma d'ordine, in qualunque modo effettuata, comporta l'applicazione delle presenti condizioni generali.
- 3) OFFERTE E ORDINI:** le Offerte della Società hanno una validità di 30 giorni dalla rispettiva data di emissione. Gli Ordini d'acquisto necessitano di apposita Conferma scritta da parte della Società; in caso di Conferma d'ordine difforme dall'Ordine la stessa dovrà essere resa sottoscritta dall'Acquirente alla Società entro 10 giorni dal ricevimento.
- 4) CERTIFICAZIONI E DICHIARAZIONI CONFORMITÀ:** eventuali Certificazioni di prodotto e/o Dichiarazioni di conformità dello stesso devono essere richieste dall'Acquirente in sede di Offerta e, comunque, prima dell'emissione del relativo Ordine; in mancanza di ciò, la Società non potrà essere ritenuta responsabile per qualsiasi eventuale conseguenza derivante dalla mancanza di detta documentazione.
- 5) RESA:** la consegna s'intende convenuta, salvo diverso accordo, franco partenza/EXW (Incoterms 2010) presso l'unità produttiva indicata in Offerta/Conferma d'ordine, anche qualora fosse concordato che la spedizione o parte di essa sia curata dalla Società, nel qual caso quest'ultima agirà come mandataria dell'Acquirente, essendo inteso che il trasporto sarà effettuato a spese e a rischio del medesimo. In tal caso, in mancanza di precise disposizioni, la merce verrà inviata con un vettore scelto dalla Società e le spese di spedizione, assicurazione ed altri oneri inerenti l'inoltro della merce saranno a carico dell'Acquirente. In ogni caso nessuna responsabilità potrà essere imputata alla Società per ammanchi o per avarie di qualsiasi genere causate dallo stivaggio e/o caricamento o dal trasporto. I termini di consegna hanno sempre valore puramente indicativo, riflettendo condizioni normali di produzione, suscettibili di variazioni durante la fase di approntamento dei prodotti. Detti termini s'intendono decorrenti dalla data di ricezione della Conferma d'ordine sottoscritta dall'Acquirente per accettazione. In questi casi, come in ogni altro evento fortuito o di forza maggiore, la consegna viene automaticamente prorogata per un periodo uguale alla durata dell'evento determinante la proroga.
- 8) RECLAMI:** eventuali reclami per vizi palesi devono essere presentati entro e non oltre 8 (otto) giorni dal ricevimento a destino della merce. I reclami devono essere effettuati per iscritto alla Società. La restituzione dei prodotti contestati, se richiesta dalla Società, deve essere con questa previamente concordata per iscritto. Oltre al costo per la riparazione del prodotto difettoso od a quello del prodotto sostituito ed ai relativi costi di trasporto da e per la sede dell'Acquirente, la Società non sarà tenuta a sostenere ulteriori costi o spese, restando espressamente esclusa ogni responsabilità per qualsiasi danno diretto od indiretto, incluse perdite di produzione e mancati profitti, causato all'Acquirente o a terzi (non avendo l'Acquirente diritto di rivalsa per eventuali risarcimenti dovuti a terzi anche se consumatori privati).
